

12. We will not need to ship over as much water as in the past. A generous donor purchased a portable water system, which we will use in Haiti this year. We can use the tap water and filter it to drink, cook and do dishes. THANK YOU SO MUCH!
13. We tried reaching out to large companies to buy large quantities or receive free items, but it isn't always to our advantage.
14. We work with local organizations interested in what we do in Haiti. In addition, we gave back to local charities in our community to assist those in need in the USA. MIHN, Mont Interfaith Hospitality Network is one of them. This is a two-way street.
15. Coakley Family Dentistry donated 300 children's toothbrushes, which we greatly appreciate. CVS, Walgreens and Payless, to mention a few, assisted us to purchase items at discount. MANY THANKS ALL!
16. We collaborated with Monty Tech Graphics dept.; students created and printed our beautiful brochure for only the cost of the paper! Great job!
17. HealthAlliance-Nursing helped us with a "Spoon & Silverware" drive. Children in Haiti need the spoons at home.
18. We sadly lost a few special sponsors this year. We remember them always for their generosity to educate children in Haiti. One in particular, Jeanette Spokus established a Scholarship fund for her two children in Haiti to stay in school and help them with future education. GOD BLESS!

We wish to sincerely thank all of you for your donations, support, volunteer services and commitment to our Mission. Most of all we thank you for your prayers and assistance to help these children have hope for the future.

May God keep you all safe and healthy in the New Year and beyond!
Peace and Blessings,

Deacon John and Pauline Aliskevicz – co-directors of Haitian Outreach
